## Why Visit Notre Dame?

A visit to Notre Dame is a great start to helping you decide if you can see yourself as a student here. We recently completed a multi-million dollar renovation to our building, and there is nothing that we enjoy more than showing it off. With each different visit, we are sure you will learn something new about ND!

Our student interns are available all summer to provide tours of the school. Seeing the school through the eyes of one of our students is a great way to start to imagine yourself as a Notre Dame student.

Come back in the fall for a Family Campus Tour. Meet students and teachers, and see what happens inside the classroom.

Attend one of our Admission and Financial Aid Information Sessions to get admission tips and information about the process of applying for financial aid.

Mark your calendar for the Fall Open House on Sunday, October 20, 2024. The entire Notre Dame community will be out in force to answer your questions and share what makes this community so special.

**We are always here to offer assistance!**
